

MARIYAM RAFHIYA

Full Stack Developer — Cybersecurity Enthusiast

mariyamrafhiya8634@gmail.com — +91 9740773854 — Mangalore, India — linkedin.com/in/rafhiyamariyam

Professional Summary

Passionate and detail-oriented Computer Applications graduate specializing in Cybersecurity with practical exposure to full-stack web development, IoT solutions, database management, and software development. Skilled in building responsive applications, implementing secure technology solutions, and solving real-world technical challenges.

Education

Bachelor of Computer Applications (Cybersecurity)

Aug 2023 – May 2026

Nitte Institute of Professional Education, Mangalore

CGPA: 6.95/10

Experience

Software Development Intern — Abhimo Technologies

Jul 2025 - Aug 2025

- Worked on the live-streaming video platform *realindua.com* using PHP, MySQL, and XAMPP.
- Assisted in web application development, database management, testing, debugging, and technical support.
- Achieved **Grade O (10/10)** in Internship Evaluation with a score of **91/100**.

Projects

Intrusion Detection System

- Developed a real-time intrusion detection system using YOLO, PyTorch, OpenCV, and Python for threat monitoring.

Pet Health Monitoring System (IoT)

- Built an IoT-based pet health monitoring solution using ESP module, ECG sensor, pulse sensor, and accelerometer.

Online Bookstore & Customer Feedback Analysis

- Developed an e-commerce platform and MongoDB-based customer review analysis system.

Additional Projects

- Car Rental Management System
- Online Doctor Appointment System

Technical Skills

Programming: Python, Java, C, C++

Web Technologies: HTML, CSS, PHP, JavaScript

Databases: MySQL, MongoDB, SQL

Tools: Git, GitHub, XAMPP, Packet Tracer, OpenCV, YOLO, PyTorch

IoT & Hardware: ESP Module, ECG Sensor, Pulse Rate Sensor, Accelerometer

Frameworks: MERN Stack

Certifications

- MongoDB CRUD Operations, Schema Patterns, Relational to Document Model, Vector Search Fundamentals
- Cisco Packet Tracer
- EC-Council SQL Injection
- TCS iON Soft Skills
- Understanding Risk Management in the Financial Sector – TCS iON

Achievements

- Grade O (10/10) in Final Year Project Work with a score of **182/200**
- Finalist – AI Debate, IHRD Tarang 2K24 National-Level Competition
- Participant – Google Women Techmakers Hackathon
- Participant – Smart Nitte Hackathon
- Best Social Media Contributor Award – NITTE University
- First Prize – Reel Making Competition (STRATCULT)
